We are a Peanut Allergy Aware Canteen

We are working towards making Creaney Crunch a 100% Green Canteen.

Your Canteen is guided by the WA School Canteen Association and Department of Education healthy food and drink policy.

How to use your Canteen

Preferred option -

Register your student for online ordering at

www.quickcliq.com.au

or

Use a brown lunch bag (located on the board outside canteen should you require)

Write the order clearly on the bag in pen, include name and class.

Please do not staple or use sticky tape to seal the bag. Wrap the correct money if possible and fold in the bag. Place it in the lunch basket in the classroom before school starts.

A roll of 20 pre-printed bags can be purchased for \$1.00 from the canteen.

There is a charge of \$0.10 for lunch orders not presented in a bag.

Volunteers welcome anytime.

Thank you for your support ☺ ☺
